ANNUAL REPORT

GENTLEMEN,

The season of 1958 was an eventful one, containing as it did The British Empire and Commonwealth Games in Cardiff, and The European Athletic Championships in Stockholm, in both of which members of the Club took part.

But to put first things first, the Varsity Sports, virtually the opening of the English track season, were held on Saturday, March 22nd, 1958, and resulted in an outstanding victory for Cambridge by 79 points to Oxford's 47. Oxford's record run of ten consecutive wins was thus halted. The Drake-Digby Cup for the best performance was awarded to J. R. A. Scott-Oldfield (Cambridge).

Good news comes from Cambridge where a new cinder track has been built off Milton Road. Many will look back with nostalgia on the great days at Fenner's, but undoubtedly Cambridge athletes have to some extent been hampered by lack of permanent summer training facilities which the new track will supply. A pavilion has yet to be erected but the initial hurdles have been cleared.

A School Tour again took place in the summer, under the able direction of A. W. Selwyn, when Sherborne, Brynaston and Winchester were visited. No Foreign Tour was undertaken due to the pressure of other fixtures, but arrangements were set in train for a Tour to South Africa in March and April, 1959. After extensive negotiations by R. St. G. T. Harper on behalf of the Club, along with the British Amateur Athletic Board, this Tour had at the last moment to be abandoned due to the absolutely impractical demands from South Africa as regards dates and duration of stay.

Again during 1958 we were able to welcome a combined University Team from the United States of America, with Cornell and Pennsylvania, visiting us. The Team stayed for a few days at both Oxford and Cambridge, and the Meeting took place at the White City on Saturday, June 14th, 1958, resulting in a victory for Oxford and Cambridge by 9 events to 6. We all greatly value these series of Meetings and it was good to meet again Bob Kane, in charge of the Team, and Lou Montgomery, the Cornell Track Coach, who has so often visited us. This fixture, once again, was made possible by the generosity of Sir William Carr, and the *News of the World*, our Sponsors.

A. R. Pimington acted as Team Manager to the Club Teams taking part in the Trophy Meetings, and other open competitions.

IN MEMORIAM

The Committee regret to report the deaths of the following:

THE RT. HON. R. R. STOKES, M.C., M.P.,
and
R. S. STROYAN.

Again the Club's representation suffered severely through injuries and other causes, and our performances in this type of competition, over the last few years, gives cause for concern. We wish A. R. Pinnington all success in his tour of duty in Canada and welcome his successor, H. R. H. Stinson.

The British Empire and Commonwealth Games took place in Cardiff, Wales, in July, 1958. Thirteen members of the Club took part.

Muscle injury prevented J. R. C. Young from competing. Many others of the Club were present in some official capacity: Sir Arthur Porritt and K. S. Duncan (British Empire and Commonwealth Games Federation); R. St. G. T. Harper and R. P. D. Van Rossum (England's Team H.O.); V. B. P. Powell and K. K. T. Mara, with the Nigerian and Fiji Teams respectively; our Chairman, H. M. Abrahams, A. R. Alston, R. G. Bannister, C. W. Brasher, A. R. and N. D. McWhirter, Vernon Morgan and many others.

The Games were an outstanding success, and the comradeship and understanding between the Teams of thirty-five Countries showed the ideals of International Sport in their highest form.

The European Championships took place shortly afterwards at Stockholm, two members being in the Team:—

D. J. N. Johnson (800 Metres) and
P. B. Hildreth (110 Metres Hurdles).

These competitions again were successful and Great Britain can look back with satisfaction on the results of 1958.

The following full International Colours were gained:—

Great Britain v. British Empire and Commonwealth

J. R. A. Scott-Oldfield, D. J. N. Johnson, P. B. Hildreth,
J. Metcalf and W. B. L. Palmer.

D. I. B. Smith for British Empire and Commonwealth.

Great Britain v. France

P. B. Hildreth and J. Metcalf.

The Editor of *Modern Athletics*, by the Achilles Club, published by Oxford University Press, reports satisfactory sales. The Club in this book, departed from its previous Coaching text-book, and selected members wrote on their own particular subject, each of which in one way or another is of importance to Athletics as a whole.

Each year, as will be known, two Achilles Medals are awarded—one for the best track performance, and the other for the best field event performance, by an Achilles member. For 1958 these were awarded as follows:—

Track—P. B. Hildreth ... 110 Metres Hurdles, 14.3 sec.
Field—J. Kitching ... High Jump, 6 ft. 4 in.

The Medals will be presented at the Annual General Meeting of the Club at the Park Lane Hotel on Saturday, May 9th, 1959.

Much has been happening in this Country as regards Sport and Athletics in particular. The stresses and strains of modern competition and training make great demands upon the time and energies of athletes, and also upon those Firms which employ them. Television and the Press "build up" some athletes to the same degree as film stars, but the athletes do not have a host of secretaries and advisers.

International Athletics is now a form of entertainment business, from which large "gates" are obtained, and with its cast composed of amateurs who are not obliged to perform. All this gives rise to problems and to the formation of the A.A.A. Athletes Advisory Committee and the International Athletes Club. In addition to all this, an independent "Inquiry into Sport" has been set-up under the Chairmanship of Sir John Wolsten, Sir Arthur Porritt being one of the members; and this Committee will, it is hoped, make recommendations which, if carried into effect, will have far-reaching results on the overall sporting endeavours in this Country.

John Ford, after ten years as Honorary Treasurer, has resigned. Our thanks are extended to him for all he has done for the Club, and he has handed over the finances in an excellent state to his successor, Derek Steel. Our Chairman, H. M. Abrahams, has the affairs of the Club close to his heart, and our thanks are also given to Norris and Ross McWhirter, R. T. S. Macpherson, A. W. Selwyn and H. R. H. Stinson, who do so much for us.

K. S. DUNCAN,
Honorary Secretary.
